

Help us make sure we're the best!

In 2009 we participated in an international audit of **nutrition practices in critically ill patients**. Overall **our ICU ranked __ out of 152** participating sites! Next year we want to do even better!

Our **strengths** were:

✓

✓

Our **weaknesses** were:

×

×

We have been working on the following initiatives:

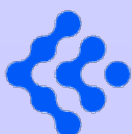

1.

2.

3.

Please **help us to improve our performance** as it relates to nutrition in the ICU. Better nutrition therapy translates into reduced morbidity and improved survival.

The next international audit is planned for early 2011

**Critical Care
Nutrition**
