

How to Order Dipeptiven®

- Request authorization via the Special Access Program (SAP) from Health Canada.
- Once SAP authorization has been received, Purchase Orders for Dipeptiven should be emailed to csrFresenius-Kabi@logistics.ca or faxed to 877 306 6985 with a copy of the SAP letter of authorization.
- Purchase orders should match the quantity approved by Health Canada, therefore please request authorization for quantities in multiples of 10.
- Dipeptiven will be supplied from our warehousing facility in Mississauga, Ontario. Next day delivery to major centres will be available for Ontario and Quebec for SAP authorizations/ Purchase Orders received before 3:00 pm EST. Other provinces will take 3-4 days for delivery. Overnight delivery can be arranged at an additional charge.
- The price of Dipeptiven including delivery is:
 - Dipeptiven 100ml: \$54.00 case of 10: \$540.00
 - Dipeptiven 50ml: \$27.00 case of 10: \$270.00
- Dipeptiven 50ml and 100ml are supplied in cases of ten and orders must be in multiples of ten.
