

Join your colleagues June 14 to 16, 2007, in Toronto, Ontario, Canada for the [6th Summer Conference in Intensive Care Medicine: Nutrition as a Therapeutic Agent to Improve Critical Care Outcomes](#).

Don't miss this comprehensive program featuring a slate of distinguished faculty from around the world. Among those speaking is Daren K. Heyland, MD, MSc, professor of medicine at Queens University in Kingston, Ontario, Canada. Dr. Heyland will present three fascinating sessions: "Permissive Underfeeding in the Critically Ill Patient," "Guideline Development Processes," and "Critical Care Nutrition Survey: Preliminary Results," as well as take part in a nine-panelist case study discussion to debate nutrition in the critically ill and injured.

Dr. Heyland was one of the prominent keynote speakers at the Society of Critical Care Medicine's 36th Critical Care Congress, held February 17 to 21, 2007 in Orlando, Florida, USA. [Click here](#) to download his podcast, or visit www.sccm.org/podcast, and listen as he discusses his presentation "Pharmaco-Nutrition: A New Emerging Paradigm," and offers insight into his background and accomplishments in critical care.

For more from Dr. Heyland, register today to attend the 2007 Summer Conference. For fast and easy registration, [click here](#) and log in using your customer ID (12421). Or, contact SCCM Customer Service at +1 847 827-6888. For additional information, [download](#) the conference brochure, or visit www.sccm.org.

Hurry, advance registration ends May 17, 2007. Thereafter, registrations will be accepted on site only.

The 6th Summer Conference in Intensive Care Medicine is jointly sponsored by the Society of Critical Care Medicine and the European Society of Intensive Care Medicine. This conference is presented in cooperation with the American Society for Parenteral and Enteral Nutrition, the Canadian Critical Care Society and the Canadian Society for Clinical Nutrition.
